

## **Prescribed Fire Public Information Fact Sheet**

- Project Name: Koski Under Burns
- Information Contact: Tofte Ranger Station (218) 663-8060
- Date of Burn: Spring-Fall 2015
- Location: T62. R4 Section 32. T61 R4 Sections 5, 6

Approximately four miles south of Sawbill Campground on Sawbill Trail.

- Project Size: 6 Units totaling 110 acres.
- Project Description: The units have received mechanical treatment of hazardous wild land fuels. Prescribed under burns are planned to further reduce the hazardous fuels, prepare the sites for natural tree regeneration while re-introducing fire to a fire dependent ecosystem.
- Closures: No closures are planned. Traffic on Sawbill trail may encounter smoke along road. Smoke warning signs will be visible by motorists. USFS personnel may be posted along the road for additional safety and information.
